Your complete overdue receivable collection agency

JDS RECOVERIES

Your Total Solution

JDS Recoveries offers business bad debt receivable solutions to help businesses maximize their bottom line.

Incorporating a leading collection agency as part of your team can directly translate into improved bottom line for businesses, as well as improving productivity in the workplace and in overhead fees. Enhancing your bottom line is where JDS Recoveries can help.

JDS Recoveries offers services that provide quick turnaround results on bad debt receivables for your company. We draw on over a decade of extensive collection experience and proven track record in your industry, therefore ensuring the greatest success during your partnership with us.

From the beginning JDS Recoveries assesses and uses proven planning to define needs and requirements, collection issues, and account deliverable dates. Although each client is unique, we make sure no part of the collection process is overlooked. We develop a plan to keep you on track and involved in all stages. Any issues or concerns are always addressed during the entire process. JDS Recoveries does not subcontract collection work.

Your Peace of Mind

Consulting- For each client, we define and assess billing issues, familiarizing ourselves with your billing codes and collection processes. Pertinent issues and problem areas are discussed. We prioritize and develop a plan that aligns with your company's financial objectives.

Project Scope

JDS then evaluates current business processes and account requirements to properly assess project scope. During this phase we also evaluate complexity and priority of deliverables.

Project management

We are with you every step of the way. We ensure our work by defining and ensuring quality by strict project management. We follow each account from inception to completion in alignment with overall case by case goals and timelines.
